

Olney ISD.

Vision

Preparing every student for a promising future.

Mission

Partner with our parents and community to empower students to be independent critical thinkers and responsible citizens who excel in their future endeavors.

We Believe...

Education is the foundation of our community

Our decisions and actions are student-centered – KIDS COME FIRST

The success of each student is the shared responsibility of our students, families, schools and community

All students have unique talents, gifts, and abilities and should use them to positively impact the world

In honoring our traditions and cultivating a culture of lifelong Cub pride
